The next meeting of the Bethel Historical Society will be addressed by John Daniels, Public Relations Director, Maine State Museum, who will talk about forming Junior Historical Societies and their activities. The meeting will be at 7:30 on Thursday, Feb. 1, at the Casco Bank Community Room.

A cordial invitation is extended to all young people from junior high through high school to attend this meeting, and hear Mr. Daniels, who has had experience setting up such groups elsewhere in Maine. Young people, he feels that once students become involved in their community's history they find it a fascinating hobby.

Also anyone who would like to work with such a group in this area, is encouraged to attend the meeting, and also make yourself known as interested, to Mrs. Charles Newell, Church Street, as an adult who would assist with leadership.

A trustees meeting has been called by board chairman Elizabeth Carter for this Thursday evening at the Casco Bank. Any plans made as to committee activity and society projects will be announced by President Quinn at the monthly meeting.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The Selectmen would appreciate comments and suggestions pertaining to the railroad crossings in West Bethel.

They feel in view of the number of serious accidents occurring at the crossings it is time the Town made an investigation as to the feasibility of maintaining just one crossing with proper signals and approaches.

It has been suggested we eliminate all except the Ferry Road Crossing, using it to serve the whole of the Old Road, so-called. The signals presently at the Smith Crossing would be moved and that crossing closed, with the road becoming a dead end street.

There is also the possibility of closing all existing crossings, and building a complete new one in between.

Before anything can be done, there are procedures to be followed, which will include articles in a town warrant, also petitions will have to be approved by the railroad.

We are especially interested in hearing from people who make regular use of all the crossings involved.

DEADLINE FOR W-2 FORMS IS JAN. 31, IRS REMINDS EMPLOYERS

The deadline for employers to give employees their 1972 W-2 forms is Wednesday, Jan. 31, 1973, Whitney L. Wheeler, District Director of Internal Revenue for Maine has stated.

The form would show earnings, income tax withheld and Social Security information.

An employee has to file a W-2 form each employer with his income tax return. Therefore, it is important that employers furnish W-2s to their employees by the date required, in order to permit timely preparation and filing of employees' tax returns.

An employer may have to pay a penalty for each W-2 he fails to furnish in time.

FIRST AID AND MEDICAL SELF-HELP COURSES TO START FEB. 13

First Aid and Medical Self-Help course will be conducted at the Crescent Park School beginning Feb. 13 at 7 p. m. The purpose of the program has a single objective, the conservation of human life. Although many people study first aid in order to help others, the training primarily helps the student himself. It enables him or her to give immediate and proper care to their own injuries or if unable to do so, to direct the efforts of other people in properly caring for those injuries. Having studied first aid, one is more likely to assist family members wisely if they are stricken. First aid training is recognized as an important aspect of Civil Defense. In cases of catastrophe with medical and hospital services curtailed, citizens must rely largely upon themselves for a time, caring for their own injuries and for those of others. This ability can well be the difference between life and death, permanent or partial disability, and complete recovery.

The purpose of the proposed training course is two fold (1) to train any interested people through formal classroom instruction with emphasis on medical self-help (2) assist the Bethel Volunteer Ambulance Service with Medical Help-Others. Anyone interested in the above objectives and learning life saving techniques, please contact Bud Howe, telephone 824-2716, or John Greenleaf telephone 824-2744.

CHAMBER OF COMMERCE TO MEET TUESDAY, JAN. 30

The Greater Bethel Chamber of Commerce will hold its January meeting next Tuesday evening at 6:30 at Sunday Inn. Officers will be elected for the coming year and a film and discussion of the newly popular sport of ice skating will be presented. All members and guests are welcome to attend. For reservations call Sunday Inn 824-2174.

S. A. D. 44 DIRECTORS APPROVE \$1.8 MILLION BUDGET FOR FISCAL YEAR 1974

On Monday evening of this week meeting at Telstar Regional High School, the S. A. D. 44 board of directors approved a gross fiscal year 1974 budget of \$1,800,106.32. Less estimated receipts during the budget period (July 1, 1973-June 30, 1974) a net amount of \$966,592.71 will be assessed to the member municipalities.

The net budget will be assessed to the member municipalities during the district's fiscal year as follows:

Andover	31.65	\$339,924.37
Bethel	36.57	333,482.95
Greenwood	11.99	115,694.47
Newry	4.26	41,176.45
Woodstock	12.53	121,114.07

One-half of the district's net budget for fiscal 1974 will be assessed during the member towns' fiscal years, together with the remaining one-third of the 18-month budget enacted in February of 1972.

Reportedly the member towns will have a liability to S. A. D. 44 during calendar year 1973 as follows if the proposed budget is enacted by the district's voters on Feb. 29 (1973 figures in parentheses): Andover \$317,529.32 (\$300,134.20); Bethel \$339,621.69 (\$303,760.40); Greenwood \$129,104.72 (\$142,494.90); Newry \$39,371.42 (\$37,565.90); Woodstock \$130,250.04 (\$139,446.40).

The board instructed the superintendent to inform the municipal officers of the district's member towns of the terms of directors that will expire at the annual town meeting. Andover, Leon Akers; Bethel, John K. Brown, Clarence Rennington, Mrs. Loretta Merrill; Greenwood, Bernard Brooks; Woodstock, M. Parker Allen. All terms expiring are of three years duration with the exception of Mrs. Merrill, who was appointed by the Bethel select board last fall to fill the vacancy created by the resignation of William Gurnea until the regular town meeting. It will be necessary that Bethel elect a director to serve the remainder of the year of the term.

Directors not present Monday evening were Andover, Leon Akers; Eddie Snyder (chairman); Bethel, Peggy Cascoe, Loretta Merrill; Newry, Jeanne Frost, Paul Wright; Woodstock, Milton Mann.

There will be a special meeting

MAIN ST. BUILDING RAZED

Above is shown the progress early this Thursday forenoon in the razing of the former Laundromat building. Purchased by the Bethel Savings Bank last year, the site is reportedly to be the location of a new Bank building. Believed to be well over a century old, the building over the years has been the location of several hardware businesses, the post office for a short time 30 years ago, and other enterprises concluding with the Bethel Laundromat for the past decade. Originally there was a single apartment on the upper floor, being converted to a double unit about a quarter century ago.

CROSS COUNTRY SKI TOUR SCHEDULED FOR SATURDAY

On Saturday, Feb. 10, Andy Wright, ski touring coordinator for Sunnyside Ski Shop, will guide a tour over prepared trails in the Sunday River Valley. This will be a family-run tour over gentle, yet interesting wooded terrain. The distance for the round trip will be approximately five miles.

Anyone wishing to participate in the tour is asked to meet at Sunday River Inn at 1 p. m. The tour will take skiers past scenic views of the Sunday River valley, the upper Sunday River valley, and the river itself. There will be a rest stop at Artiste Bridge, a covered bridge spanning the Sunday River, where light refreshments will be served.

Rental equipment will be available at the Inn prior to the tour. Lunch will also be served at the Inn from 12 noon until 1 p. m.

Diane Meisner, a Telstar senior, is employed by Andover Wood Products, a company that makes glued furniture panels which they sell to furniture-making businesses. Her boss is Don Stecher.

Diane has worked there since last April, and full-time during the summer. When school started in the fall, she began Co-Op, since the company still needed the help.

When Diane first began her job the other secretaries helped her learn the ropes. Since then Diane has taken on new duties which include typing incoming orders for furniture panels, dictation, making out purchase orders, checking invoices and passing prices, figuring time-cards, and other general office work. — Harlan Bumpus, Correspondent —

The Albany 4-Hers Cooking Class met this week at the home of Mrs. Cindy Gascon. On Wednesday the older girls made and decorated a birthday cake for Mary White. On Thursday the younger group made corn chowder and muffins, then stayed for supper.

David Gascon reports that in just two days last week he picked up more than 16 beer cans and bottles while coming up Cummings Hill Road to Hunt's Corner. Recently moved from the Boston area, he is disgusted to find this sort of mess appearing up here in the country.

Frank Ricker of East Stoneham and Elmer Dingley of South Paris were recent callers of Mr. and Mrs. Albert McAllister.

Mr. and Mrs. Robert Holt and Danny of Windsor were Sunday visitors of Mr. and Mrs. Dick Bennett and boys.

IN LOVING MEMORY

OF ETHEL P. BISBEE

There are stars that go out in the
skies
But whose every light glows on,
There are roses whose perfume
Still lingers

When the blossoms are faded and
gone
There are hearts full of light and
of goodness

When no longer their life current
flows
Still their goodness lives on with the
long

Like the end of the star and the
sun

And when we think of friendship
and its power to give a lift
We are so reminded
That a friend is God's own gift

NEW LAW EXTENDS

MEDICARE HOSPITAL

INSURANCE COVERAGE

People 65 and older who didn't
qualify before for Medicare hospital
insurance coverage will be able to
get this protection starting in July
by paying a monthly premium, ac-
cording to John M. Beale, Social
Security District Manager in Lew-
iston.

Coverage under this new provision
can begin on July 1, 1973, and times
for enrolling are expected to be an-
nounced within the next few
months. Initially, the premium will
be \$33 a month for Medicare hospi-
tal insurance protection. The pre-
mium may be increased later as
hospital costs rise.

People buying hospital insurance
under this new provision also will
be required to enroll for medical
insurance provision. The basic pre-
mium for medical insurance is now
\$5.69 a month. The Government pays
an equal amount.

Through agreements with the Sec-
retary of Health, Education and
Welfare, States and Public Organi-
zations are permitted to purchase
this protection on a group basis for
their aged employees, either retir-
ed or active.

People who have worked enough
to receive social security or railroad
retirement benefits when they reach
65—as most people have today—are
covered automatically by hospital in-
surance. These people don't pay
hospital insurance premiums, be-
cause costs of the program are paid
from social security payroll contribu-
tions of employees, their employ-
ers, and self-employed people dur-
ing their working years.

"The new provision on hospital
insurance is designed to extend this
coverage to people 65 or older who
have little or no work credit under
social security and are unable to
obtain comparable insurance through
private companies," Beale said.

United Methodist Women will hold
their next meeting on Thursday,
Feb. 1, at the home of Mrs. Rita
Dunn. A 12 o'clock luncheon is be-
ing planned.

Judy Angevine, daughter of Mr.
and Mrs. Ernest Angevine was
named to the Dean's List for the
fall semester at the University of
Maine, Orono.
